The first 3B Business Growth Conference was held on 29 Feb-1 March, 2020. At the conference people learned about Business Growth, Business Startups Methods, Export and Import Business, Marketing and Branding Methods, Sales Boosting Techniques, Finance and Funding of Business, Communication and Leadership Skills, Motivation and Problem Solving for Business and Life, Networking for Business Growth.

Both Dr. Opesh and Megha are not only helping people by consulting them even though they have multiple firms. They have also founded Opesh Store private limited, and they are helping people to export through their worldwide startup. With Opesh Store lot of people started exporting by the worldwide presence of Opesh Store and its international team support. Currently, Opesh store is operating in more than 15 countries and three continents. Not only have they been contributing to the growth of businesses, but they have helped many children through 'Opesh Singh Foundation. Through this, they are contributing to the welfare and education of the children along with financial support in India and Africa.

Dr. OPESH SINGH helps many people while traveling abroad to set up their startups and businesses, while OPESH Singh and Megha Nath while visiting Africa realized that the African continent is very poor compared to other countries, due to which children need education and lack of sports and facilities, due to which Megha Nath Opesh Singh formed the Opesh Singh Foundation. Opesh foundation is formed with the aim to help poor children and provide food, education, and other facilities.
